How the Charity is constituted

The District is a trust established under its rules which are common to all Scouts.

Trustee selection methods

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Risks and internal control

The District has in place systems of internal control that are designed to provide reasonable assurance against material mismanagement or loss. These include two signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Objectives and activities

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

As Scouts we are guided by these values: **Integrity** - We act with integrity; we are honest, trustworthy and loyal. **Respect** - We have self-respect and respect for others. **Care** - We support others and take care of the world in which we live. **Belief** - We explore our faiths, beliefs and attitudes- **Co-operation** - We make a positive difference; we co-operate with others and make friends.

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and enjoy what they are doing and have fun, take part in activities indoors and outdoors, learn by doing, share in spiritual reflection, take responsibility and make choices, undertake new and challenging activities and make and live by their Promise. The District meets the Charities Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Main achievements during the year

These are set out by the District Lead Volunteer and Chairman in the District Annual Report.

Financial accounts

This is shown on pages 6 to 10 of this report.

Reserves policy

The District policy on reserves is to hold sufficient resources to continue the charitable activities of the District should income and fundraising activities fall short. The District Executive Committee considers that the District should hold a sum equivalent to 24 months running costs, circa £20000.
